Dear friends and brothers and sisters of Vision for Africa

Please forget the last newsletter. I did not read it carefully enough due to lack of time and did not censor it.

Please forgive me and therefore also the ministry of Vision for Africa.

We appreciate you as supporters and pray for daily tangible blessings and protection for you and all your loved ones around you.

For the Word of God says, „What we give to the poor, we lend to God!“ And so you are under the blessing of God for your love for the needy children in Uganda. We pray for a 100 fold blessing for you.

I promise you that I will not express any more opinions, unless it concerns the new status we are to enter, namely to become Kingdom of God citizens and to learn to think differently, so that we also behave as such and are recognized as such.

We are going to put on YouTube in the next days and weeks 40 very uplifting messages from Pastor Daniel Exler (in German and I am translating in English), about the Kingdom of God, which we recorded a few weeks ago here in Uganda.

Because already 2,000 years ago Jesus Christ taught us to pray: „Thy kingdom come, Thy will be done on earth as it is in heaven!“

I will also send you the documents still in writing and the videos via YouTube.

I trust that we can calm your heart with this letter and send you the very dearest blessings and thanksgiving for your giving heart from wonderful Uganda.

Let us pray for each other, for all the nations of the world need prayer and wisdom from above now.

Here in Uganda, too, everyone is trying hard to stabilize peace again after brief turmoil.

Shalom and God's best to you and all your loved ones.
We love you and bless you !
