

Beloved brothers and sisters and friends of Vision for Africa

Luke 18:27

„But he said, What is impossible with men is possible with God!“

Today I was very touched by these words from Matthew 7:7 and 8.

„Ask and it will be given to you, seek and you will find, knock and it will be opened to you.

For whoever asks receives, and whoever seeks finds, and whoever knocks, it will be opened to him!“

I trust that no one will now put the letter away with a sigh, „Another begging letter!“

That is exactly what it is not supposed to be and is not.

We are SO thankful for all the people who have faithfully stood with us, prayed with us, and helped in many ways over the past two decades that we have been able to become the greatest blessing to thousands of children and also adults in Uganda.

And it is our prayer that all who have given SO much already to the poor in Uganda may experience an abundant harvest at all levels of their lives as a heavenly blessing.

First, I would like to share with each reader of this letter our prayer requests that the Lord has placed on our hearts as a commission.

When the Lord „creates“ something, we want to obey, the rest of the execution is in His hands, His grace and His provision at all levels.

1. KARAMOJA

This area, in the north-east of Uganda, is especially on the heart of the Lord Jesus.

We will start building dams in the coming month in the otherwise always dry rivers, along with appropriately sized reservoirs. The big exca-

today it will:

1. BE THANKFUL
2. SEE THE GOOD IN OTHERS
3. TRUST GOD'S WAYS
4. HAVE HOPE
5. GO OUT OF MY WAY TO BLESS SOMEONE

*Live a life
of love.*

EPHESIANS 5:2

*Refuse to
let the world corrupt you.*

JAMES 1:27

**control, but I am
deeply loved by
the One who is.**

vator is already in Jinja (it was given to us by very dear friends in Germany) and is waiting to be used.

We are still asking the authorities for ZERO import and customs fees.

Mr. Kuno, the „God sent WATER SPECIALIST“ is already with us in Uganda and is already in the starting blocks to realize this great project to make Karamoja the bread basket of Uganda.

2. „TOP TALENT ACADEMY“ FOR SOME HUNDRED STREET CHILDREN

The construction of the first school is progressing at a rapid pace. It will be a middle school for at least 600 of the poorest children who have talents in sports, music and art and can be nurtured in them.

The first school should be fully ready for occupancy by the end of October.

However, we still need teachers' housing, a large dining hall and commercial kitchen, dormitories for girls and boys, a soccer field, volleyball court, swimming pool, basketball court, etc.

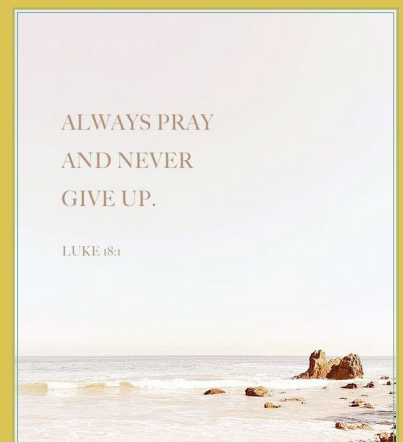

3. TELEVISION

Construction is proceeding very rapidly on the television studio and we expect this to be completed in the next two months as well.

4. BALLETT SCHOOL

A very dear friend has agreed to sell all her property in Europe (this was completed last week).

She is coming next week and plans for this ballet school will be implemented as soon as possible. Only dances will be practiced to glorify the worship of God, thus making the glory of God visible on earth in worship.

5. LAND PURCHASE FOR AGRICULTURE

Again and again, the Lord draws our attention to the fact that we should make provisions for feeding the thousands of people for whom we are responsible, and cultivate enough fields to become „self-sufficient“.

6. CHILDREN'S CHOIRS

Our previous choir journeys with our children have released SO much joy, healing, deliverance and blessing wherever these children have sung, danced and also prayed.

So it has been put on my son Patrick's heart again to train more choirs (in all our schools) and be ready to travel the world as the Holy Spirit leads us to bring Kingdom of God Atmospheres to the nations.

7. MEDICINE

The Lord has spoken to a group of wonderful brothers and sisters in Germany to bless our work with starting training schools for nurses, midwives and physical therapists.

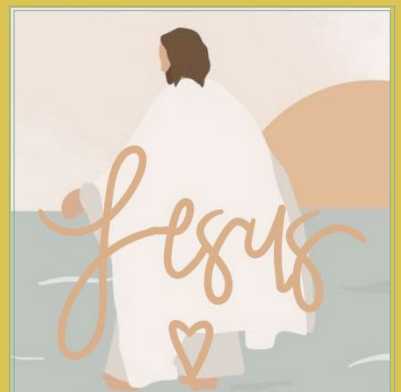

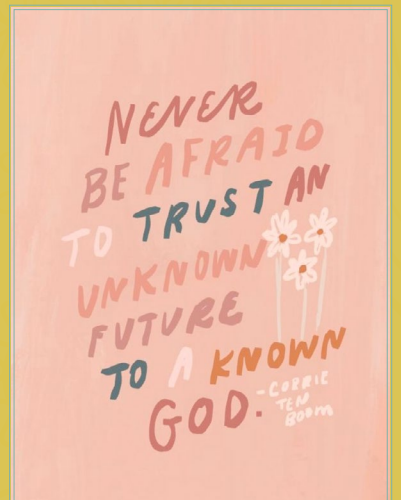

The project will be a blessing for the whole nation.

Beloved brothers and sisters and friends
it has been whispered to us that there are many people in Europe who have savings and are worried that soon there will be an abolition of cash and demonetization. You have it on your heart to invest your money in such a way that it becomes a blessing in the Kingdom of God and an extension of heavenly influence in this world. If you belong to this group of blessed kingdom of God citizens, then we ask you to listen to God whether the Lord has not prepared works here in Uganda that will become a blessing for you if you bless them from your abundance.

And so I tell you now, but without putting pressure on you, also the needs that come to us with the upper extensions.

To 1.) KARAMOJA

There we need 150.000 Euro for new land purchase for the upcoming agriculture.

150.000 Euro for the construction of an agricultural school with the appropriate sleeping facilities for the students.

200.000 Euro for the construction of a secure fence.

To 2.) TOP TALENT SCHOOL

For this we still need 150.000 Euro for a big kitchen and a dining room for teachers and students.

We also need to extend the land for agriculture and for this we have been offered a good piece of land adjacent to our current property for 40,000 Euros.

Teacher apartments for 20 teachers and service staff at 30,000 euros each apartment.

Sports fields will also cost around 50,000 euros each.

Since the school is deep in the bush, we also need a school bus with 70 seats *ca 100.000 Euro

To 3.) TELEVISION

There we still need the equipment of cameras and televisions, that should be covered with 38.000 Euro.

To 4.) BALLETT SCHOOL

The ballet school is financed by our wonderful sister from Italy! Thank God!

To 5.) LAND PURCHASE FOR AGRICULTURE

Buying land is our biggest burden. We keep getting offered wonderful land, meanwhile there are again almost 500 hectares of very good land, at still affordable prices, the land prices are increasing from month to month, and therefore it is necessary not to wait long with the purchase.

In total, 600,000 euros are in line to buy what we urgently need to provide for the thousands of people for whom we are responsible.

To point 6.) and 7.)

... they are already completely covered, thanks to God.

So, please don't be frightened by the high amounts, because they are God's problem and money has never been a problem for God!

Pray and ask the Lord to show YOU if and how much you should contribute to invest your money well and safely into the Kingdom of God, then obey and the blessing will be returned to you a hundredfold heavenly.

With most loving blessings and thanksgiving,

Maria L. Preatu
